WE MISS ALL OF YOU TERRIBLY

Hello,

The Senior Life Center Staff would like to share some info with you. The newsletter seemed to be the best way to communicate with all of you.

- First we would like you to know that none of the members has gotten the virus, YIPPEE!
- We are waiting to hear from the Placer County Health Department on when we will be able to open. We have been told that we would be one of the last to open because of the high risk. Hoping for July opening. All of you will be notified by phone when we get a date.
- When we do get to open in July/August, we will not take the usual 2 weeks off in August.
- Since we are closed, Jim arranged to have our chairs cleaned. They look great.
- If you need anything, (groceries, dr. appts, or just to talk) below are phone numbers of the staff. Please do not hesitate to call any one of us. Also there are a couple of contacts we thought you might want.
- We do have a injury, Virginia Yates, sister of Linda Gonzolas has fallen and broken her femur. She has had surgery, and is doing well. Her son and her little sister will be staying with her until she recovers.
